Mars Attack

The Martians could be attacked by aliens from an unknown planet. They have come to Earth, more specifically, to Station touristique Duchesnay, to ask the Earthlings for help.

The attack must be prevented! You are being called upon to help our galactic neighbours by successfully intercepting communications from space, identifying aliens from other planets and neutralizing the enemy. A game in which cooperation and a helping each other are a must.

Lumberjack Academy

Grab your axes, ready, set, go! Will you be able pass all the tests with flying colours to graduate? At the academy, knowing how to handle a two-man saw, stack wood and build a log shelter are just a few of the skills you'll need. Already a lumberjack at heart?

You'll certainly need your teammates to beat the clock. But don't put all your energy into working. You'll need to save a little to write a letter to your sweetheart!

Great Chefs

A corporate activity featuring fun and healthy competition. Apprentice chefs can develop team spirit with their colleagues while using their culinary and creative talents.

With advice from the chef and basic ingredients, you'll be asked to create 3 hors d'œuvres in a set time period. Your creations will be judged on pre-determined criteria. Sharing equipment and ingredients, plan your strategy to impress your colleagues and your taste buds, while learning from the chef.

Duchesnay Super Labyrinth

The labyrinth competition requires observation and determination. It's a twelve-sided structure built of wooden fence sections 2.5 metres high. About 240 one-way doors define the path to the exit. Maybe you'll find your way to the centre of the labyrinth on your first try!

For corporate groups and social clubs, the labyrinth is a great place to develop strategies and organize friendly competitions.
