

SUMMER VACATIONS STAY GUIDE

BEFORE YOU LEAVE HOME... TWO VERY IMPORTANT POINTS TO CHECK

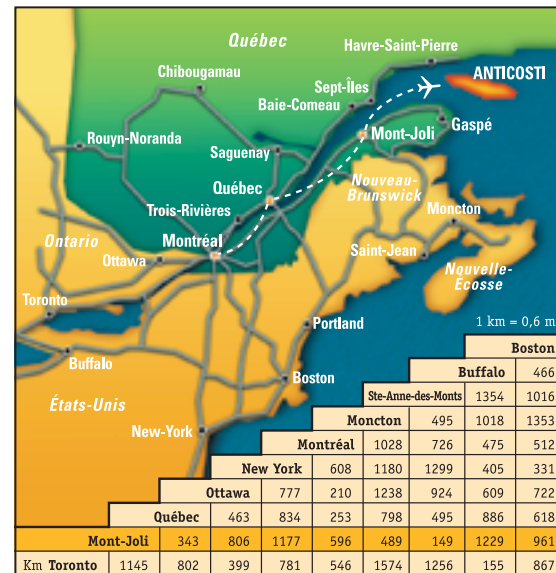

Cancellation of a stay

No refunds will be granted, but we accept replacements at any time. Sépaq Anticosti is not responsible for major causes (sickness, flight delays, disasters, death of a close relative), **including flight delays caused by poor weather** or other conditions beyond its control.

Sépaq Anticosti therefore strongly recommends that you purchase cancellation insurance before your stay begins.

If your package includes a vehicle, you need insurance

Check with your insurance broker to find out if you have **QEF n°. 27**, covering a vehicle valued at \$45,000. Each driver must provide a photocopy of this proof of insurance. To prevent flat tires, respect the speed limit and do not drive on the shoulders of the road. There is no charge for a normal flat. For a repairable split on the side of the tire, you must pay \$150, and if the tire cannot be repaired, \$300 will be charged.

PRACTICAL TIPS FOR THE PROTECTION AND CONSERVATION OF OUR HERITAGE

During your stay on Anticosti Island, we ask you to show the same respect for the environment as you do for your friends. We would be very grateful. We believe that this milieu preserves something of great value. We respect it and we are happy that you can enjoy it.

ANIMALS So that visitors can freely admire the white-tailed deer from up close, a municipal regulation prohibits dogs on the island. Thank you for your understanding.

IN NATURE, MY SAFETY IS MY RESPONSIBILITY

Outdoor activities may involve certain risks. You must ensure that you have the skills and abilities required to undertake the chosen activity. It is important to know the risks inherent to this activity, respect your abilities, and have the appropriate equipment. For more information, we invite you to visit our website at sepaq.com/security. Moreover, while not representing a considerable danger, activities undertaken in an isolated natural environment clearly present greater risks on Anticosti Island due its distance from health services.

IMPORTANT

All rates, packages, and activities are subject to change without notice. Prices do not include taxes.
