OUR NATIONAL PARKS

Protected areas that offer a connection to nature, for us and for future generations.

Our national parks receive millions of annual visits. Harmful behaviors can cause permanent damage to the environment and affect the experience of other visitors. Help take care of this wonderful natural setting so we can all enjoy it for years to come.

5 good camping etiquette tips

Don't feed the animals

Store food away from wildlife

Stay on trails and in designated areas

Don't gather plants, dead wood, or other natural objects

Respect the campground curfew and peace and quiet

Thank you! Enjoy your nature getaway!

CAMPGROUND RULES

- Do not leave traces of food or odorous products (including dishwater) within reach of animals to avoid attracting them.
- To maintain campground peace, curfew is in effect from 11:00 p.m. to 8:00 a.m. and moderate use of generators is tolerated between 10:00 a.m. and 8:00 p.m.
- A campsite can accommodate a maximum of two tents or one registered set of recreational equipment, one tent, and a bottomless kitchen tent where size permits.
- A maximum of two vehicles may be parked per space if parking is permitted and accessible.
- Campfires or cooking fires are permitted in areas set up for this purpose and must be under constant supervision. Be sure to put out the fire before leaving or going to bed.
- The installation of a tarp or rope clothesline is permitted within the limits of the site but must be removed after use.
- The maximum speed allowed in camping sectors is 10 km/h.
- Bringing any animal, except guide dogs and dogs on a leash to designated areas, is prohibited. Consult the rules and authorized areas in the Discovery Guide or at sepaq.com/animals and please respect the signposting to this effect.
- A campsite can accommodate up to six people (maximum of four adults for a traditional ready-to-camp).
- Visitors: If you receive visitors, they must purchase an access authorization ticket (sepaq.com/accesparks) and must leave the park before 10:00 p.m.
