## OUR NATIONAL PARKS

Protected areas that offer a connection to nature, for us and for future generations.

Our national parks receive millions of annual visits. Harmful behaviors can cause permanent damage to the environment and affect the experience of other visitors. Help take care of this wonderful natural setting so we can all enjoy it for years to come.

## 5 good camping etiquette tips

Don't feed the animals

Store food away from wildlife

Stay on trails and in designated areas

Don't gather plants, dead wood, or other natural objects

Respect the campground curfew and peace and quiet

Thank you! Enjoy your nature getaway!

## CAMPSITE RULES

### Arrival and departure times

**Campsite:** Check-in 3 p.m. | Departure 2 p.m.

**Ready-to-Camp :** Check-in 5 p.m. | Departure 12 p.m.

Camp set up before 10 p.m.

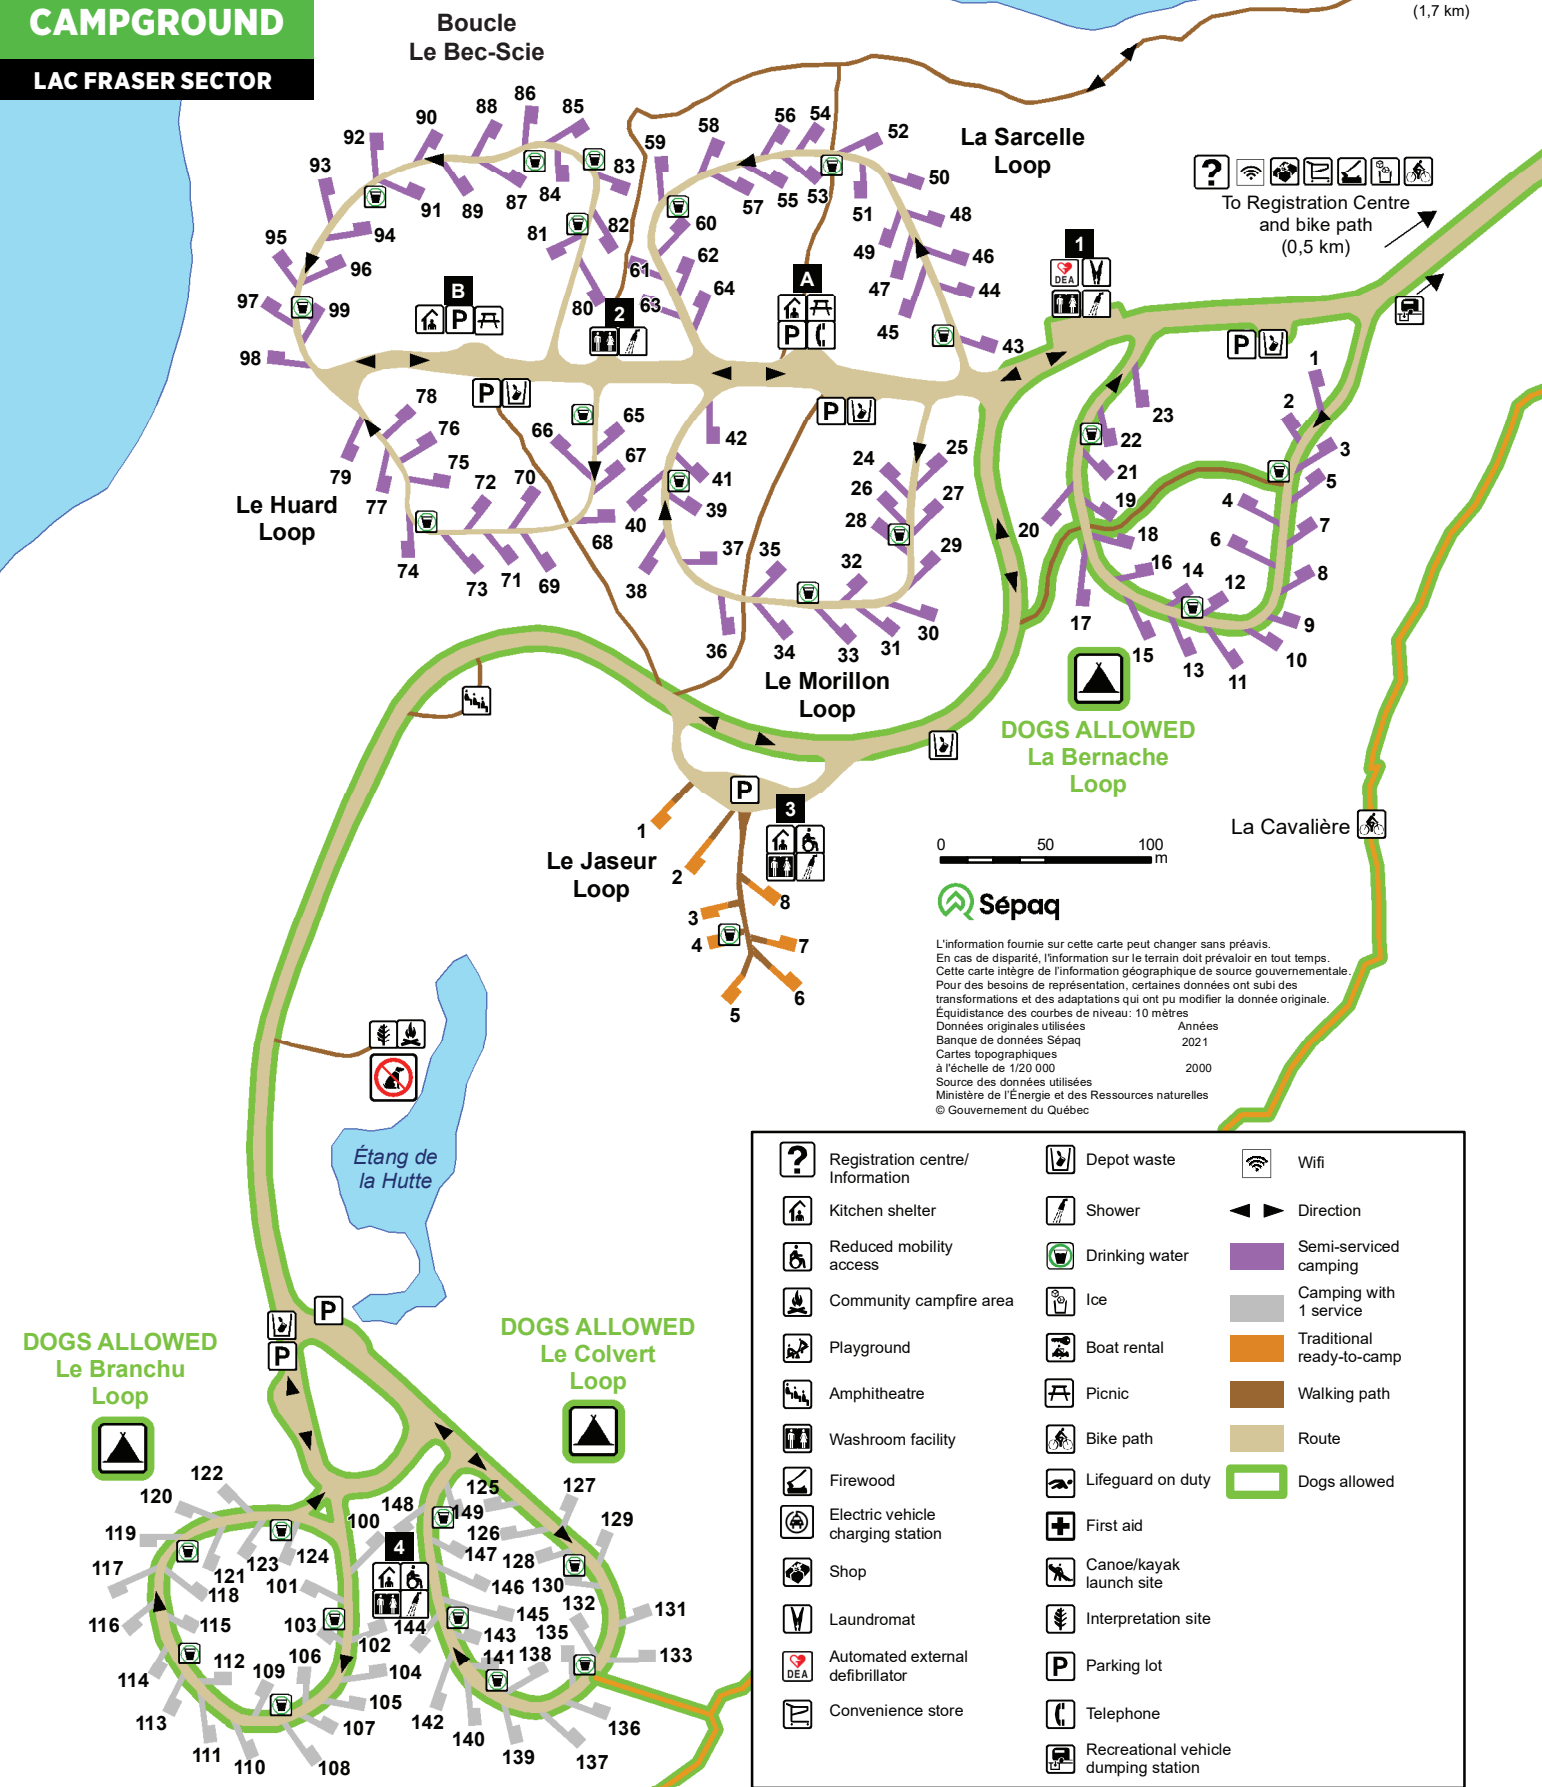

- Do not leave traces of food or odorous products (including dishwasher) within reach of animals to avoid attracting them.
- A campsite can accommodate 6 people, including a maximum of 4 adults (18 years and older).
- For ready-to-camp units, the number of occupants must comply with the capacity of the accommodation unit.
- Visitors are allowed on campsites and ready-to-camp sites from 8 a.m. to 10 p.m. The number of people on the site must never exceed 12.
- A site can accommodate two pieces of equipment, including a maximum of one registered camping vehicle for sleeping, without exceeding the site's designated limits.
- Picnic tables must remain in their locations and fire pits must not be moved.
- For ready-to-camp units, no additional camping equipment is allowed.
- The installation of a standard-size (3.6 square metres (12' x 12') or less) kitchen shelter (kitchenette) without a bottom and with removable sides is permitted on campsites and ready-to-camp sites. The entire installation (camping equipment and kitchenette) must not exceed the boundaries of the site.
- Each site can accommodate one car free of charge. A second vehicle may be tolerated if the size of the campsite allows it. Otherwise, additional cars must be parked in the areas designated for this purpose. Fees may apply.
- Noise is tolerated provided it cannot be heard from the access road to the campsite or from neighbouring campsites. The use of any sound equipment (speakers, radios, telephones, instruments, etc.) to play music, podcasts, radio programs, or any other audio content is not permitted.
- A curfew is in effect from 11 p.m. to 8 a.m. During this period, only the occupants of the campsite may be on the site. Whispering and walking around by the occupants of the site is tolerated.
- Moderate use of air conditioners is tolerated from 10 a.m. to 8 p.m. when occupants are present. Moderate use of generators is tolerated from 10 a.m. to 1 p.m. and 5 p.m. to 8 p.m. when occupants are present.
- To preserve the peace and quiet of the site and prevent forest fires, fireworks are prohibited on all campgrounds.
- Hammocks may only be set up on furniture or a freestanding structure. Hammocks may not be hung from trees.
- Clotheslines and tarpaulins are permitted on campsites. They must be installed at the edge of the site, must be temporary, must not damage the trees, and must be removed at the end of the stay.
- The use of portable showers or toilets is permitted only if wastewater is collected and disposed of at a waste disposal station.
- The maximum speed allowed in camping sectors is 10 km/h.
