GEOCACHING CHALLENGE

\$27^{.62} | Round-trip cable car ride included

Duration: 2 1/2 hours

Take part in an exciting, interactive activity and explore the enchanting site of Parc de la Chute Montmorency!

With a GPS in hand, participants must put their sense of observation to the test to find all the geocaching clues. Which team will have the best strategy to win the first place? This activity is great for improving unity and communication within your team.

SELFIES | PHOTO RALLY

\$24^{.22} | Round-trip cable car ride included

Duration: 2 1/2 hours

When a fire broke out in 1993, the Manoir was home to many works of art produced by its first resident Sir Frederick Haldimand, since the manor was built.

Camera in hand, participants must be creative and sharpen their sense of observation to recreate these keepsakes lost during that tragic incident. Your team members must remain unified and in good communication to achieve their objective.
