GUIDED TOUR

UN TORRENT D'HISTOIRE

With its rich heritage spanning more than 250 years, the site has played host to several events that have shaped the region's history over the years. During your 90-minute tour, you'll follow Governor Haldimand or one of the other period characters having played a role in the site's development. You'll be captivated by their stories of the falls and Manoir.

From May to October
