Looking for activities to do during your stay?

Check out our discovery guide, You'll find a host of activities to explore the park and its secrets!

OUR NATIONAL PARKS

Protected areas that offer a connection to nature, for us and for future generations.

Our national parks receive millions of annual visits. Harmful behaviors can cause permanent damage to the environment and affect the experience of other visitors. Help take care of this wonderful natural setting so we can all enjoy it for years to come.

5 good camping etiquette tips

- Don't feed the animals
- Store food away from wildlife
- Stay on trails and in designated areas
- Don't gather plants, dead wood, or other natural objects
- Respect the campground curfew and peace and quiet

Thank you! Enjoy your nature getaway!

RULES AT THE CAMPGROUND

- A campsite can accommodate 6 people, including a maximum of 4 adults (18 years and older).
- A site can accommodate two pieces of equipment, including a maximum of one registered camping vehicle for sleeping, without exceeding the site's designated limits.
- The installation of a standard-size (3.6 square metres (12' x 12') or less) kitchen shelter (kitchenette) without a bottom and with removable sides is permitted on campsites and ready-to-camp sites. The entire installation (camping equipment and kitchenette) must not exceed the boundaries of the site.
- Each site can accommodate one car free of charge. A second vehicle may be tolerated if the size of the campsite allows it. Otherwise, additional cars must be parked in the areas designated for this purpose.
- Noise is tolerated provided it cannot be heard from the access road to the campsite or from neighbouring campsites. The use of any sound equipment (speakers, radios, telephones, instruments, etc.) to play music, podcasts, radio programs, or any other audio content is not permitted.
- A curfew is in effect from 11 p.m. to 8 a.m. During this period, only the occupants of the campsite may be on the site. Whispering and walking around by the occupants of the site is tolerated.
- Bringing any animal, except guide dogs and dogs on a leash to designated areas, is prohibited. Consult the rules and authorized areas in the Discovery Guide or at sepaq.com/ animals and please respect the signage to this effect.
- Clotheslines and tarps are permitted on campsites. They must be installed at the edge of the site, must be temporary, must not damage the trees, and must be removed at the end of the stay.
- Hammocks may only be set up on furniture or a freestanding structure. Hammocks may not be hung from trees.
- The use of portable showers or toilets is permitted only if wastewater is collected and disposed of at a waste disposal station.
